PRINCIPAL'S MESSAGE

Welcome to E.J Dunn Elementary School! We hope you had an enjoyable and restful summer. Our staff is excited to get started and back to providing an engaging learning experience for your children.

School Start-up

Students in Grade 1 – 7 will start on **Sept. 6th from 10a.m. - 12p.m.** Students are asked return to their previous years' classroom prior to moving to their new class later in the morning. New students are to come to the office and will be directed to the library to be greeted by our staff.

Kindergarten Children - will have a gradual entry – this will be outlined in a letter to families that was sent last week. Please contact the school if you have not received this notice.

Please also prearrange with your student where you will pick them up on the first day of school.

Parents will not know which classroom their student is in and to help ease anxiety for both parent and student.

e.g. Danny please meet me at the playground after school, or main office, or back parking lot, etc.....

CLASS COMPOSITION

At the beginning of each school year, class configurations may need to be adjusted as we accommodate changes in student registrations. Parents are reminded that placement decisions are made based on social dynamics, academic abilities and work habits, as well as many other factors. Teachers have been very involved in the process as they have many special insights into what the best placement for your child will be. Please, trust us to make the best decision for your child regarding their placement for this school year. The educational needs of your child are foremost in our minds. Please be reminded classes are subject to change up until the end of September.

IMPORTANT COMMUNICATION FORMS

Student communication forms will be sent home next week, some of this information will already be in place for those who already attend this school. However, it is good to check information - please change or add any new information necessary and return to the school by the end of September. It is important that the school has all current contact information for families. Thank You for your participation in advance.

DATES TO REMEMBER

September 19, 2022 – Curriculum Implementation Day – No School for Students

September 30, 2022 – Truth and Reconciliation Day – No school

October 10, 2022 – Thanksgiving holiday - No school
