Dear Families,

The Government of British Columbia has provided school districts with funds to support families who have been struggling with rising food costs, and costs for a range of goods and services. This includes significant support for families with school aged children.

These funds are to support families in the areas of:

- Providing food and meal support
- School supplies
- School fees or expenses (field trips, extracurricular costs, school sports teams, fees for special classes, instrument and equipment fees, etc.)
- Clothing or footwear required for school sports and other school activities

To access this support you may do any one of the following:

- Contact your child's Principal (Mr. Brown) or Vice Principal (Mrs. Fryer);
- Speak or contact any staff member associated with your school. Including your child's classroom teacher or Nuu-Chah-Nulth Education Worker (Mrs. Sanders) or any staff member you are comfortable speaking with.
- Email any of the above
- Fill out the online form found here or using the QR code below <https://forms.office.com/r/QmH6iYsvGQ>
- Fill out the attached form and return it to the school

These supports can be accessed throughout this school year only. You can make more than one request and at any point this year depending on need or circumstance.

Sincerely,

Tim Davie  
Superintendent/CEO
