## DAILY HEALTH CHECK, COVID, AND FLU SEASON

Attached to our newsletter is the daily health check. We thank all families for keeping students' home when sick. Cold, respiratory illnesses, and flu season has arrived. We continue to see students and staff battling illness. We appreciate everyone staying home until they are feeling better.

## AFTERSCHOOL LEARNING CLUB:

Thanks to Ms. Lenormand for offering an afterschool learning club for students. The program is going to take a pause through December and will start up again in January for students in Grades 4 to 7 (January 12<sup>th</sup>, 19<sup>th</sup>, and 26<sup>th</sup>) We will look to make a change in February 2023.

## PAC READ-AND-FEED BREAKFAST CLUB- TUESDAYS AND THURSDAYS MORNINGS.

On Tuesday and Thursday mornings from 8:20 am to 8:35 am PAC volunteers will be providing healthy breakfast options for students in the main gym. Thanks to Mrs. Sally Anderson and the Read-and-Feed program for supporting our school with breakfast program food items. A big thank you to our Howitt PAC for volunteering their time to offer this to our students.

## GRADE 6 IMMUNIZATIONS

Due to a scheduling conflict the date of our Grade 6 immunizations has changed to December 7<sup>th</sup>. VIHA staff will be here to provide Grade 6 immunizations. These are the annual immunizations for Grade 6 students. They are not COVID related.

While students are waiting after their immunizations, Island Public Health will be offering an optional questionnaire about Food and Nutrition.

*From Island Health: Public Health will be visiting your elementary school for Grade 6 Immunizations over the next few weeks. They will be asking the grade 6 students to partake in a Food and Nutrition Questionnaire during their visit. The questionnaire is voluntary. We are hopeful to hear the students' voices regarding their thoughts and feelings about food and nutrition. We hope that you will discuss this with your child and encourage them to partake. Thank you.*

## A Reminder to Dress for the Weather

Just a friendly reminder to encourage your children to be prepared for colder wet weather. Boots, waterproof raincoat, and an umbrella will all be needed. We plan to go outside each day at recess and lunch!

- If possible, a change of clothes left at school would be advantageous, so students won't need to phone home if their clothing accidentally gets wet or muddy.
- If you have questions, please contact the office.

## **PACIFIC RIM SCHOOLS AND JOHN HOWITT ELEMENTARY APP FOR SMARTPHONES AND TABLETS:**

You can now download the Pacific Rim School app to your iPhone, iPad, or android device. Search Pacific Rim Schools in the app store. It is very easy to set up, and you can select multiple SD70 schools. So, if you have students at Howitt and ADSS you can set up the app to receive information from both schools. You will be able to see the school calendar, news items, and more.

## **STUDENT SMARTPHONES AT SCHOOL:**

We continue to have conversations and learning about the appropriate use of smartphones/cellphones at school. As a staff we strongly believe that the 300 minutes they are with us each day should be a cellphone-free time for students. Below is a reminder of our school expectations.

### **Morning:**

- Once students arrive at school (i.e., by bus, car, or walking to school) we ask that cellphones are put away. We would like to see them socialize and talk to their classmates!

### **During the day:**

- We ask that students have their cell phones put away. There could be a time when they are needed in class, but they will be used for an educational purpose and under the direction of their teacher (this would not be a regular occurrence!).
- There is no picture or video taking at school at recess or lunch (privacy issues).
- If a student needs to contact a parent, we ask that they speak to their teacher first, we will then find a way to support them in contacting home.

- If you need to get a hold of your child for an important message, please call the school (250) 723-7521. We will support them to phone you. Please do not text them.

#### **End of the day:**

- Students can have their phones out as they leave school. We understand that they may need to check texts or contact their families.
