Principal's Message from Mrs. Stone

Happy New Year Wickaninnish students and families! The staff has been busily preparing for you this week and we all miss you! We have enhanced some of our health and safety measures and are looking forward to sharing those new routines to keep us all safe and healthy. I hope you're getting outside lots and enjoying time with your families. Some things may look a little bit different when you return to school next Monday but many of the routines and protocols we have practiced before such as wearing our masks, playing in cohorts and rotating through our play schedule, washing our hands, and practicing safe and healthy hygiene will be the familiar to you. You can get yourself ready for school by participating in our at home scavenger hunt to make sure your back pack is filled with the necessary supplies for Monday!
