➤ **During the week of June 23rd-26th**

Teachers will be in their classrooms as per daily schedule on Monday, Tuesday, Wednesday and Thursday to work with students that need to complete any last-minute assignments, projects or tests. Students are not required to attend classes during this last week of June unless they have something specific to work on with their teacher(s).

➤ **Report Cards will be available to pick up on the morning of Friday, June 27th.**

Tables will be set up in the main Foyer from 8:30am – 10:30am for students to collect their reports on June 27th. After 10:30am we will close so that staff can prepare for the afternoon Grad Ceremony. If students are unable to collect their report cards on Friday morning, the office will be open throughout the summer for pickup, starting **July 2nd** during summer office hours, 9:00am-2:00pm.

➤ **Lockers**

Students need to empty their lockers before they leave school on Friday, June 20th. Starting on Monday, June 23rd, staff will begin removing locks from all lockers so that they can be cleaned and made ready for next year. If any lockers still have possessions in them, those items will be removed and placed on tables outside the main office, where they can be claimed. Any possessions unclaimed by July 2nd will be packaged up and donated to the Salvation Army.

Important Information for Grade 12 students that have plans to attend Post-Secondary Institutions in September

By July, graduating students are encouraged to visit the [Student Transcripts Service](#) (STS) to authorize release of their transcript data to their chosen post-secondary institutions (PSIs) for admissions purposes.

Current students may make up to 25 PSI selections free of charge, generally up to six months after completing their last course. They are also entitled to order one free printed transcript (by mail) after graduation, which can be sent to any address they choose. All other transcript orders in STS (including [PDF transcripts](#)) are \$10 each.

Distribution of Transcripts

How and when a student's transcript is sent will depend on the PSI and the [option](#) selected by the student in the STS:

- [Many B.C. and Alberta colleges and universities, as well the Ontario Universities' Application Centre \(OUAC\)](#) can receive final marks and request transcript updates electronically throughout the year (when authorized by the student).
- All other PSIs will receive paper transcripts, which will be processed by July 31 (typically arriving by mail at PSIs in the first week of August, or later, depending on the location).

"Send Now" option: At any time, students can also choose the send 'now' option to send their most current transcript to a selected PSI. They should review the transcript carefully to ensure it is complete and accurate.
