2025-2026 Newsletter #4

November 7th, 2025

Fall Update: As the fall weather continues to change here in Port Alberni, we remind families to help students come prepared for all kinds of conditions — warm coats, boots, and umbrellas help ensure everyone stays comfortable and ready for outdoor play and learning. If you can, please leave a change of clothes in your child's backpack (primary students).

At Howitt Elementary, we continue to focus on our school goals in **reading, writing, and numeracy**. Staff are working together to help every student grow as a confident reader, writer, and problem-solver. Families can support this at home by encouraging daily reading and talking about what your child is learning in class.

We also want to remind everyone of the **importance of regular attendance**. Every day at school matters — consistent attendance helps students build strong connections with their teachers and classmates, keeps learning on track, and supports success in all areas.

Thank you for your continued partnership in helping our students learn, grow, and thrive!

REPORTING A STUDENT ABSENT OR LATE

If your child will be absent or late, please contact our school at (250)723-7521. You may also email either lbehnke@sd70.bc.ca, or your child's teacher, to report an absence.

STUDENT CELLPHONE EXPECTATIONS: away for the day

We continue to have conversations and learn about the appropriate use of smartphones/cellphones at school. As a staff we strongly believe that the 300 minutes students are with us each day should be cellphone free time for students. Below is the proposed update to our cellphone expectations. This will bring us in line with expectations around cellphones from the Ministry of Education and Pacific Rim School District.

Morning:

- Once students arrive at school (i.e., by bus, car, or walking to school). They should not be brought out until the end of the day. We would like to see them socialize and talk to their classmates!

During the day:

- We ask that students have their cell phones put away. There could be a time when they are needed in class but will be used for an educational purpose and under the direction of their teacher (this would not be a regular occurrence!)
- **There are no pictures or video taken at school at recess or lunch (privacy issues).**
- If a student needs to contact a parent, we ask that they speak to their teacher first, we will then find a way to support them to contact home.
- **We ask that students do not listen to music when on school grounds as well. Headphones or air pods are best left at home, so they do not get lost.**
- If you need to get a hold of your child for an important message, please call the school (250)723-7521. We will support them to phone you. Please do not text them.

End of the day:

- Students can have their phones out as they leave school. We understand that they may need to check texts or contact their families. Again, there should be no pictures or videos being taken on school grounds, or the school bus, at the end of the day.

2025-2026 Cellphones at school expectations for Howitt:

- Cellphones away in backpacks as soon as students come onto school grounds. Cellphones should not be on a student at any time.
- Phones are silent or turned off and stored in a student's backpack. Not on them, and not on their desks or in their binders. Cellphones should not be in a student cross body bag.
- A student who has their cellphone out may be confiscated by staff. Any cellphone taken by a staff member will be stored securely in the office. Phones will be locked for safety and returned by the end of the day. A Howitt staff member will contact families if a phone is confiscated.
- Phones can be used in class under the direction of a teacher.
- Students have been good at buying into our updated cellphone expectations. If you would like to provide feedback for us on these expectations, please email Mr. Brown (sbrown@sd70.bc.ca)

A REMINDER TO DRESS FOR THE WEATHER

Just a friendly reminder to encourage your children to be prepared for colder wet weather. Boots, waterproof raincoat, and an umbrella will all be needed. We plan to go outside each day at recess and lunch!

If possible, a change of clothes left at school would be advantageous, so students won't need to phone home if their clothing accidentally gets wet or muddy. If you have questions, please contact the office.

SCHOOL VISITORS and STUDENT SIGN IN & OUT

To ensure the safety of our students and to minimize the disruption to classes **please check in at the office** whenever you visit the school for whatever reason. Anything to be delivered to a student can be taken to their outside classroom door or it can be dropped off at the office. If you are picking up your child for an appointment, please plan ahead of time with your child's classroom teacher. Or if it is needed, please come to the office and we will help connect you to your child. Please knock on the front door or call the main office at **(250) 723-7521**.

HOWITT ELEMENTARY SCHOOL PARENTS' ADVISORY COUNCIL (P.A.C.)

We have a long tradition of parent involvement at John Howitt Elementary with a wide variety of opportunities available for parent volunteers. For its size, our school community is very rich in resources and opportunities for our students thanks to the committed efforts of our parents over the years. The P.A.C. has worked with staff to make John Howitt a cohesive learning community dedicated to student success.

Our next meeting is Thursday November 27th, 2025, at 5:30 pm in the library.

KINDERGARTEN BUILDING: STAFF PARKING

The parking spots directly in front of the kindergarten building are staff parking spots. Please avoid parking there in the morning as our staff members use those spots each day. You are welcome to come and park at the front section (near Tebo Avenue) of our main parking lot if you are dropping off your child. In any of our parking lots, we ask that you back into the parking stall. This allows you to see any small friends in the parking lot as you leave. Thanks in advance for helping us with this!

REMINDER FROM THE RCMP

The RCMP will be enforcing all motor vehicle infractions within school zones and would like to remind drivers of the following common concerns.

- Vehicle speed is 30 km/hr. within all school zones.
- Vehicles **cannot** park within 6 meters of any traffic control device, cross walk or stop sign.
- Reminder to come to a complete stop at all stop signs.

PACIFIC RIM SCHOOLS AND JOHN HOWITT ELEMENTARY APP FOR SMARTPHONES AND TABLETS: ***Absence reporting option is not functional**

You can now download the Pacific Rim School app to your iPhone, iPad, or android device. Search Pacific Rim Schools in the app store. It is very easy to set up, and you can select multiple SD70 schools. So, if you have students at Howitt and ADSS you can set up the app to receive information from both schools. You will be able to see the school calendar, news items, and more.
