USS' Informal Learning Update

Wednesday, Oct. 14th at Ucluelet High School from 12:25pm – 3:20pm & Thursday Oct. 15h in Hitacu at the Cixwatin building from 1pm-3pm (please see the map below for directions).

To parent(s) and guardian(s):

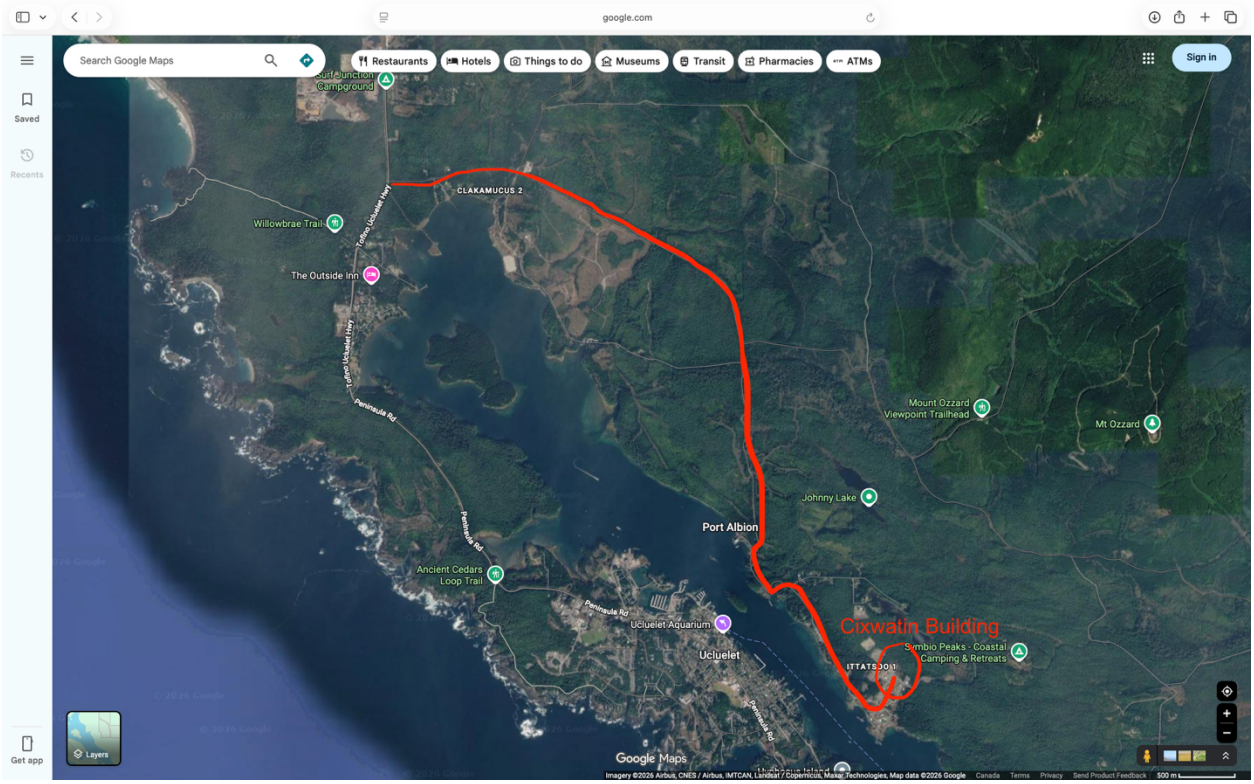

We have scheduled conferences in both Fall and Spring, each with two early dismissal days. Conferences provide a great opportunity to become more familiar with your child's learning in relation to their courses (i.e., strengths and stretches), ways to support learning at home, and how they are settling into the new school year.

Below are the email addresses of our teaching staff to arrange a conference time.

Please note that if these scheduled dates and times don't work for you, please schedule an alternative time to meet with your child's classroom teachers. Alternatively, teachers can provide a learning update which can be sent via email.
