## JOB DESCRIPTION

TITLE: Land Based Learning Worker  
LOCATION: Various Schools/Outdoor Education Locations  
REPORTS TO: District Principal Learning and Innovation  
DATE: April 2024

---

### **SUMMARY**

Reporting to the District Principal of Learning and Innovation, the Land Based Learning Worker plays a supportive role in the planning, organization and delivery of the Land Based Learning Program which focusses on outdoor education, environmental stewardship and sustainability, Indigenous Learnings and Nuu-Chah-Nulth ways of being. The Land Based Learning Worker will support the teacher with program tasks, supporting student learning in both an indoor and outdoor environment, supporting outdoor activities (canoeing, harvesting, traditional skills, hiking, camping) and supporting students to stay connected to all educational opportunities in the school district.

### **DUTIES**

1. Assist the teacher with all aspects of outdoor learning including preparing, executing and debriefing outdoor experiences.
2. Support students with assignment completion including on-line learning.
3. Support students with attendance including, at times, picking up students from home.
4. When required, drive the bus or van to activities with equipment and students onboard.
5. Prepare equipment for outdoor learning activities.
6. Assist with preparation of learning materials.
7. Demonstrate harvesting, gathering and food preservation depending on skill level.
8. Be willing to learn harvesting, gathering and food preservation techniques on the job.
9. Monitor the safety of students during outdoor activities.
10. Inform the teacher and other participants of safety concerns during outdoor activities.
11. Assist with storage, inventory and maintenance of all program resources and equipment.

### **Qualifications**

1. Class 4 drivers license or willing to obtain by September 30, 2024 (Valley)
2. Class 2 drivers license or willing to obtain by September 30, 2024 (Westcoast)
3. Child and youth first aid
4. NVCi or willing to take the next available course provided by the school district
5. Significant knowledge of Nuu-Chah-Nulth culture and language to the level that the knowledge can be transferred to students
6. Significant experience with outdoor activities including hiking, canoeing, low angle climbing and others
7. Experience with harvesting local food and animals preferred
8. Non-Urban Emergency Care or equivalent
9. Preference given to candidates with certificates in outdoor education activities (ie. Canoeing, risk management etc.)
