PACIFIC RIM SCHOOL DISTRICT

JOB DESCRIPTION

TITLE: Payroll Clerk
LOCATION: Board Office
REPORTS TO: Controller
DATE: October 2022

SUMMARY

Reporting to the Secretary Treasurer or Delegate, the Payroll Clerk is responsible for the preparation of one or more of the District payrolls, using a computerized payroll system. High task volume, high attention to detail, and working with constant deadlines characterizes the work of the Payroll Clerk. The Payroll Clerk works with little direct supervision and uses own initiative to resolve day-to-day issues that typically arise in the efficient production of the payrolls on schedule. The Payroll Clerk may work with other payroll staff to ensure that all aspects of the payroll function are completed in compliance with Government requirements, collective agreements and School District policies.

Confidential payroll and employee benefit information is communicated to employees and outside agencies with clarity, tact and diplomacy.

DUTIES

1. Process, verify and reconcile payroll data from internal and external sources to arrive at the appropriate pay; print and distribute cheque and pay statements.
2. Maintain and update employee master files and benefit records on a computerized payroll system. Maintain the payroll database, maintain daily, weekly and annual computer back up files, and implement and test all new payroll software.
3. Prepare and reconcile all documentation to cause payment of payroll deductions and remittances to appropriate agencies and carriers as scheduled and required.
4. Prepare reports and analysis as requested by the district Auditor.
5. Prepare billings and maintain accounts receivable records for benefits due from employees and others.
6. Verify employment data from internal departments including Human Resources and Dispatch. Respond to enquiries as requested.
7. Respond to enquiries for employment data from external agencies including HRDC, WCB and BC Pension Corporation.
8. Process and reconcile data for annual reports including T4's, annual pension reports and records of employment.
9. Maintain payroll, benefit and personnel files.
10. Assist Human Resources to process Criminal Record Check forms.
11. Maintain employee records for sick leave, vacation and banked overtime entitlement accruals.
12. Monitor benefits coverage for employees. Assist employees to prepare forms to ensure appropriate benefits.
13. Provide assistance to employees for short and long term illness. Complete the carrier application

forms as appropriate and respond to queries from the carriers and agents.

14. Assist employees retiring or terminating with pension calculations and purchase of past service, calculate appropriate termination and/or severance payments, and facilitate the transfer of benefits as appropriate.
15. Process completed employee appointment forms and letters to establish placement on salary schedules or wage rate. Collect required forms from new employees to set up benefits and deductions.
16. Maintain employee benefit records. Advise the carriers of all changes. Respond to queries from employees as appropriate.
17. Assist surviving family members with benefit claims. Prepare documents for appropriate agencies for deceased employees.
18. Be aware of regulatory and technical changes affecting payroll and benefits; advise supervisor of these changes with the objective of ensuring the payroll and benefit functions are correctly completed with the utmost efficiency.
19. Maintain a supply of payroll & benefit forms and supplies.
20. Perform other job-related duties as assigned.

QUALIFICATIONS

1. Grade 12 graduation.
2. Minimum 2 years of payroll experience. One year clerical diploma/training. Payroll and/or accounting specific courses equivalent to 2 years of post-secondary. Significant payroll experience in a unionized environment may offset some of the required 2 years of post secondary coursework. Preference given to membership in the Canadian Payroll Association.
3. Demonstrated keyboarding speed of 50 wpm
4. Ability to learn new office computer software with minimal instruction and keep current with changes.
5. Ability to operate computers and relevant office equipment.
6. Thorough knowledge of spreadsheet and word processing software (MS Office).
7. Demonstrated excellent organizational, interpersonal and communication skills.
8. Physical ability to perform the required duties.
9. Ability and aptitude to work with a high volume of data with precision, skill and accuracy within the established deadlines.
