

Manager Mental Health, Wellness and Addictions

The School District

The Pacific Rim School District covers much of Central Vancouver Island's rugged, picturesque West Coast and serves a regional population of approximately 31,000 residing in the communities of Port Alberni, Tofino, Ucluelet, Bamfield and other remote communities. The schools are situated on the ha-houlthees of the cīśaaʔath, hupačasath, tla-o-qui-aht, Yuułuʔiłʔatḥ, and Huu-ay-aht First Nations. The school district respectfully acknowledges that it works alongside all Nuuchahnulth Nations, other First Nations, and Metis and Inuit of British Columbia to serve all children and youth of the Alberni-Clayoquot region.

The district is home to 4000 students, 35% of whom are of Indigenous ancestry, in two neighbourhood secondary schools, eight elementary schools, and one K-12 school. The district has a successful alternate learning centre, a strong French Immersion program, a thriving international student program, and a busy continuing education program.

The Position

Reporting to the Director of Instruction – Inclusive Education, the Manager will develop and implement Mental Health and Wellness initiatives across the district. The Manager will develop initiatives that help District staff and District partners better support youth and families struggling with mental health and/or substance misuse. The Manager will specifically support District staff as they support Indigenous youth and families who are experiencing mental health and substance misuse. It is expected that the Manager works in both intervention and prevention models when supporting staff, students and families.

Duties:

- Provide consultation for District staff as they assess and manage complex mental health and substance misuse matters
- Provide support to the Human Resources team in matters related to mental health and substance misuse
- Participate in the implementation and management of return to work plans and accommodations as they relate to mental health, wellness and substance misuse
- Ensure District policies and administrative procedures align with best practice regarding mental health and substance misuse
- Participate in District student hearings regarding substance misuse
- Liaise with community partners to best implement new and existing programs
- Liaise with Indigenous partners to co-operatively address any mental health and substance misuse amongst indigenous students
- Collect, analyze and report on data related to mental health and substance misuse of staff and students
- Liaise with school-based Administration and school-based teams around the development of Student Safety Plans

Qualification:

- A graduate level degree in Social Work, Counselling, Psychology or equivalent
- Specific training in addictions (certificate or diploma)
- Specific training in mental health and substance misuse treatment
- Experience in providing professional development and inservice
- Demonstrated ability to manage many tasks at once
- Ability to work evenings and weekends as required
- A thorough understanding of trauma as it relates to mental health, wellness and substance misuse with a particular focus on trauma in Indigenous communities and inter-generational trauma
- Demonstrated ability to deal with highly confidential and sensitive issues with a high degree of diplomacy and confidentiality
- Demonstrated experience and effective planning with cross-agency partners including safety plans and youth agreements
- Ability to impact and influence, manage change, build consensus, and encourage others to support initiatives
- Superior organizational, management, leadership, communication (verbal and written) and supervisory skills
- An understanding of the First People's Principles of Learning, UNDRIP calls to action and other rights holders expectations of the education system and the ability to use those documents and beliefs to support staff, students and families
