APPLICATION FOR LOCAL SCHOLARSHIP AND BURSARY AWARDS

**\*THIS APPLICATION MUST BE RETURNED TO THE OFFICE  
BY Friday, April 04, 2025**

The Awards Committee makes decisions regarding scholarships and bursaries by considering the information supplied in this application form and in your student records.

The following are key factors the committee considers when selecting recipients:

- academic achievements in grades 11 & 12
- community and school involvement and service
- plans to attend post-secondary institutions or professional training programs

Please attach copies of any acceptance letters you have received from post-secondary institutions or professional training programs.

\*\*\*If you have yet to apply to a post-secondary program but intend to do so soon, please attach a detailed plan explaining what field of study/training program you intend to apply to as well as what you hope to do before beginning your post-secondary school program (approx. 250 words).

\*\*\*Please be as specific as possible about your plans. Some organizations and service clubs give preference to students who plan to enter a particular area of study or training program. Notably, some scholarships and bursaries must be used during this coming year and others can be held/differed for a period a time. Please be specific about when you plan to start your post-secondary training and at what institution you are planning on attending.
