Principal's friendly reminder 😊

Happy April to our wonderful school community. With spring in the air, birds singing, and days getting longer all of us are enjoying the sights and sounds of our communities awaking from the long winter.

A reminder to students, we still have a full quarter left in the school year so please make sure you are staying on top of your studies, using homework hall if needed, and connecting with your teachers if you are away.

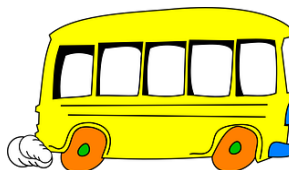

Parents and guardians, if you have any questions regarding your child(s)' classes please reach out to their teachers.

School Meals program:

At this time due to staffing challenges, we are only able to serve snacks for our school meals program. Our contracted school meals program company, Nourish, is working hard to hire an UES and USS lunch program coordinator and is continuing to look for volunteers to help support this amazing program.

If you are interested in volunteering, please contact Kirsten Nesbitt Pacific Rim's Healthy Schools Coordinator at 250-735-2399 or KNesbitt@sd70.bc.ca.

New West Coast Buses are coming!!!!!!!

If your child rides the school bus they will need to have a school bus pass for next year. Please click on the link below to access registration for next year's bus passes.

REMINDER: Homework Hall runs Tuesday-Thursday with late buses running at 5pm. If students need some extra focussed time to work on projects, get caught up on outstanding assignments, and/or study for quizzes/exams they should take advantage of our homework hall.
