

Ucluelet Secondary School

While the west coast is small in comparison to other communities on the island and mainland we produce strong hearts, minds, and bodies. This has been demonstrated over the course of last school year with many of our student athletes excelling e.g., our wrestling team, senior boys' basketball, and ultimate frisbee teams all earning berths at the BC provincials.

As we know, extra-curricular activities are another valuable layer supporting our youth's physical and social-emotional wellbeing and supporting positive relationship across peer groups. These activities also take a **HUGE** amount of dedication from coaches, students, and volunteers to which our entire school says **Kleco! Kleco!**

Another layer to these extra-curricular activities are costs. While inflation has created pinch points for all of us so too has it caused challenges in financially supporting our extra-curricular programs. As a rural high school our sport and art programs need to travel to access competitions and shows which incur many costs e.g., teacher coverage, registration fees, gas, food, and hotel expenses.

Given this our school community is looking at ways we can have consistent funding for these pivotal high school experiences. One of the ways we are looking to generate consistent funding is through advertising local businesses within our gymnasium and on school jerseys.

Interested businesses will have an advertising sign in the school gym with a yearly donation (see below). These advertisements will be viewed by school and public communities as well as (though not limited to) school assemblies, sport tournaments, evening gym use, school presentations, and graduations.

Interested businesses can complete the attached sponsorship form for advertising within our gymnasium.

If you are interested in sponsoring a specific sport through purchase of team jerseys with your logo (see BC School Sports' regulations) please contact our school Principal, Drew Ryan, at 250-726-7796 or email dryan@sd70.bc.ca.

BC School Sports_COMMERCIAL LOGOS

A member school is permitted the use of a maximum of two (2) credit card size commercial logos on any team uniform. A school uniform consists of the top and bottom or clothing usually worn during competition.
