

June 27, 2023

Dear Families,

As you may recall, in the Fall 2022, the Ministry of Education and Child Care allocated one-time funding to school districts to assist families who were facing challenges with rising food costs and other essential expenses. Many families in our District made use of these supports throughout the school year by making requests to their school administration.

As of June 29, 2023, schools will not be able to respond in this fashion to requests from families regarding these supports, and our online request form will no longer be accessible.

We want to ensure that you are aware of the various resources and food programs available within the communities our District serves. To assist you in accessing these supports, we have compiled a comprehensive list of resources, which you can find at the following website: <https://www.pacificrimchildren.ca/food-support>

Thank you for your understanding and cooperation. We look forward to continuing to work together to create supportive and nurturing educational environments for all our students when school reopens in September 2023.

Sincerely,

Tim Davie
Superintendent/CEO
SD70 Pacific Rim
