PACIFIC RIM SCHOOL DISTRICT PUBLIC BOARD MEETING ACTION SHEET

Date: October 22, 2024
To: Board of Education
From: Tim Davie - Superintendent
Subject: Annual Board Election Process and Establishment of Committees

Background:

A. Annual Board Election Process

Board Policy 110: Board Procedure, Regulation D.3 'Election At Other Times' states:

3.1 The Board, at the (annual) meeting, shall elect a Chair and may elect a Vice-Chair from among its members.

3.2 The Board, by two-thirds majority vote, may serve notice of motion that an election for Chair or Vice-Chair be held at the next Regular meeting of the Board and an election shall then be held.

3.3 The elections as described in paragraph D.3.1 and D.3.2 shall be conducted by the interim Chair as described in paragraphs D.2.2 and D.2.4 and D.2.5....

D.2.2 The interim Chair of the meeting shall be the Superintendent until such time as the Board Chair has been elected.

D.2.4 The interim Chair shall call for nominations for Board Chair and conduct a vote by ballot in which that trustee receiving a clear majority shall be elected Board Chair. If no person receives a clear majority, further ballots shall be taken until the same is achieved or,

if a tie shall occur, the election shall be decided by the drawing of lots.

D.2.5 The election of a Vice-Chair as determined by the Board shall be conducted in the same manner as the election of a Chair.

Please see attached Appendix A for reference.

B. Establishment of Committees

Board Policy 110: Board Procedure, Regulation E Committees reads as follows:

1.0 ESTABLISHMENT OF COMMITTEES

1. Each year, prior to appointing trustees to committees, the Board shall review the organization of the committees as described and make appropriate changes by a resolution of the Board.

2.0 COMMITTEE STRUCTURE

- 2.1 The committees are established as necessary by the Board and listed in Appendix A (I).

3.0 APPOINTMENT TO COMMITTEES

- 3.1 The Chair of the Board shall:

- 3.1.1 convene a caucus meeting of trustees to receive trustee input on committee assignment;

- 3.1.2 name committee members and committee chairs;

- 3.1.3 present a list of committee membership to the Board at the first regular meeting of the calendar year, or as soon thereafter as possible.

Please see attached Appendix A (I), noted above.

Update:

Should the Board of Education wish to hold an election for the positions of Chair and Vice Chair at the Annual Public Board Meeting on November 26, 2024, the following Motion is now being brought forth for discussion and vote.

Motion:

THAT the Board of Education direct staff, through the Superintendent, to hold an election for the positions of Chair and/or Vice Chair at the Annual Public Board Meeting on November 26, 2024.

PACIFIC RIM SCHOOL DISTRICT PUBLIC BOARD MEETING INFORMATION SHEET

Date: October 22, 2024
To: Board of Education
From: Barbara Ross, Secretary Treasurer
Subject: Multi Year Financial Plan

Background

The multi-year financial planning policy came into effect in a phased approach, beginning July 1, 2021. Multi-Year Financial Plan (MYFPs) are required to be submitted to the Ministry of Education and Child Care (Ministry) annually between June 30 and September 30. The first year that a submission was mandatory was this year, 2024.

Attached you will find the MYFP that has been prepared for your review and feedback, covering 2024/25 to 2026/2027. It was submitted to the Ministry by the deadline.

PACIFIC RIM SCHOOL DISTRICT FINANCIAL PLAN

LAND ACKNOWLEDGEMENT

The Pacific Rim School District is situated on the ḥaḥuuli of the čišaaʔaḥ, Hupačasath, Tla-o-qui-aht, Yuuʔuʔiʔaḥ and Huu-ay-aht First Nations and acknowledges that we work alongside these Nuu-chah-nulth nations as well as the Ditidaht, Uchucklesaht, Toquaht, Ahousaht, and Hesquiaht First Nations, the Métis Nation of British Columbia and the Alberni-Clayoquot Métis Society to serve the children and youth of the Alberni-Clayoquot region.

PURPOSE

The purpose of the 2024/25 – 2026/27 Financial Plan is to help the stakeholders of the Pacific Rim School District understand financial processes and to provide a summary of the information utilized to make financial decisions that support the Board's Strategic Plan.

It provides an outline of how the Board prepares, reviews and approves the annual budget each year.

The Board of Education compiles a budget using factors such as:

- Ensuring the priorities of the Strategic Plan are properly funded;
- Creating a transparent process that includes partner and public input through communication and consultation, with decisions being reported back to the public and partner groups;
- Compliance with the *School Act*, collective agreements, other regulatory requirements and Board policy.

STRATEGIC GOALS - HOW FINANCE ALIGNS

GOAL #1

INDIGENOUS LEARNER SUCCESS AND RELATIONSHIPS WITH FIRST NATIONS AND METIS

FINANCIAL STEPS TO MAKE GOAL 1 HAPPEN

1. Fund meaningful professional development opportunities on Indigenous ways of knowing, Nuu-chah-nulth and Metis culture, traditions and histories for early care, learning professionals, primary educators and support staff.
2. Include funding focused towards building and enhancing language and culture programs in all schools, including through the creation of land-based learning programs.
3. Ensure funding to create culturally relevant and welcoming environments for students and staff of both Indigenous and non-Indigenous ancestry.
4. Financially support the Board of Education through the process of connecting with the Nations and moving towards co-governance, allyship, and reconciliation.

STRATEGIC GOALS - HOW FINANCE ALIGNS

GOAL #2

STUDENT ACHIEVEMENT

FINANCIAL STEPS TO MAKE GOAL 2 HAPPEN

1. Maintain literacy and numeracy as top priorities for K-12 students using data and evidence to direct allocation of resources.
2. Close learning gaps, aligning resources based on needs, by providing responsive budgeting and staffing information.
3. Ensure funding available to support in-service supports for all staff.
4. Distribute funds equitably across the district guaranteeing the same learning opportunities for students that reside in remote areas, as those received in more populated areas.
5. Fund supports for students in Grades 6-10 whose graduation pathways are in risk.
6. Support transitions into school, from elementary to secondary.

STRATEGIC GOALS - HOW FINANCE ALIGNS

GOAL #3

MENTAL HEALTH AND SOCIAL-EMOTIONAL WELL-BEING

FINANCIAL STEPS TO MAKE GOAL 3 HAPPEN

1. Ensure funding sources available to maintain a consistent and sustainable food security plan district wide.
2. Budget for wraparound services in collaboration with community organizations and agencies.
3. Ensure the budget supports the needs of diverse learners and provides both technology, environmentally safe spaces and adequate support staff.
4. Incorporate wellness initiatives for staff and students into the budget.
5. Support effective outreach to children and families with the greatest need.

STRATEGIC GOALS - HOW FINANCE ALIGNS

GOAL #4

SAFE, WELCOMING AND MODERN
LEARNING ENVIRONMENTS

FINANCIAL STEPS TO MAKE GOAL 4 HAPPEN

1. Earmark funds for initiatives such as Accessibility Assessments, Mechanical Cooling system studies, Energy Audits and Communication Planning etc.
2. Ensure funding for modern technology devices, current district wide software, and adequate training for users.
3. Support SOGI initiatives, training programs and modern signage to ensure safe environments for all LGBTQ2S+ students and staff.
4. Provide funding to support welcoming elders into our schools.
5. Provide safe spaces for all school communities.

STRATEGIC GOALS - HOW FINANCE ALIGNS

GOAL #5

ENVIRONMENTAL STEWARDSHIP AND GLOBAL CITIZENSHIP

FINANCIAL STEPS TO MAKE GOAL 5 HAPPEN

1. Provide funding that promotes environmental stewardship and global citizenship education across all curriculum areas.
2. Ensure funding availability for paperless solutions, energy audits and fleet driver training.
3. Develop EV charging opportunities district wide.
4. Fund opportunities for students to attend out of district environmental stewardship events.
5. Develop district wide structures to promote environmental stewardship.

ENROLMENT

Enrolment is counted three times during the school year. The Operating Grant is adjusted accordingly to reflect actual enrolment figures as they are known. The chart below includes the September count.

STUDENT ENROLMENT GRANT REVENUES

The graph below shows the base grant amount per student, which was raised from \$7,885 in 2022/23 to \$8,625 in 2023/24. The district forecasts a 3% increase for future years.

Base Grant Per Student

SALARY EXPENSES

2024/2025 marks the end of the negotiated collective agreements for the ADTU and CUPE employees. For future year forecasting , it is assumed that each employee group will receive a 3% increase.

Teacher increases will also be incurred for movement through the 10-step salary grid, based on years of service and additional education. CUPE increases may also be incurred to the vacation pay percentage paid to employees recognizing additional years of service.

Other Professional and Principal & Vice-Principal salaries may also be incremented beyond the percentages negotiated with unions, as employees move through the exempt grids and based on satisfactory performance.

SALARY EXPENSES cont'd

Other professional salaries includes remuneration paid to the seven member Board of Education. Substitute costs are expected to decline as absence management strategies are initiated.

Labour Settlement grants are expected to be provided for 100% of the costs incurred for all employee groups. No additional funding is expected for costs related to movement within the grid.

MULTI YEAR OPERATIONAL FORECAST SUMMARY

The preliminary 2024/25 budget outlines an appropriation of \$670,383 from the operating surplus. As we move towards finalizing the 2024/2025 budget, we intend to implement key changes aimed at reducing the current appropriation of \$670,383 to the amount designated for Indigenous Education programs.

Over the next two years, we will work to increase our Contingency Reserve from 0.43% to within the 1% to 3% range of total expenses, in accordance with Policy 340: Accumulated Operating Surplus.

The district upholds the principle that funds generated within a fiscal year should be utilized to support students in that same year. Once the Contingency Reserve reaches an appropriate level, we will prioritize fully utilizing the funds designated for students.

The Contingency Reserve serves to cover unforeseen expenses, while any identified surplus will be allocated to a "wishlist" for future needs.

POLICY

The Board of Education recognizes the right of parents/guardians of students attending a school to establish a Parents' Advisory Council for that school. The board places a high priority to the development and support of an effective Parents' Advisory Council at each district school and expects school administrators to take appropriate initiatives in seeing to their establishment.

The Board believes that a Parents' Advisory Council is intended to:

- promote the free exchange of ideas among parents/guardians, school administrators and staff, students and the School Board with respect to school programs and policies;

- provide the principal and staff an opportunity to consult people who are affected by the decisions they make;

- give parents/guardians an opportunity to examine educational and school philosophy and policy, and to suggest alternatives;

- facilitate parent/guardian input into the school's public communication program and into the evaluation of its effectiveness.

Hello Cherilynn

On behalf of the pac at wood school I would like to send a request to have some crosswalk signs installed on Wallace avenue where children use the crosswalks to get to school!

We have seen a few schools benefit from these new additions! With Wallace being a long straight stretch and a 30 zone from almost 10th to Steed avenue it doesn't deter speeder's! We feel with more housing going in and the area getting busier with a new daycare some increased crosswalk signage may help the safety of kids!

Thank you so much for considering our request !

INDIGENOUS EDUCATION COMMITTEE

REPORT

19 August 2024

IEC Activity Report

On August 19th and 20th, the Indigenous Education Committee (IEC) convened at the BCSTA office in Vancouver to discuss key initiatives, elect co-chairs, and engage in insightful presentations provided by Dr. Charles Ungerleider, Mr. Tim Davie, and Dr. Crystal Gail Fraser.

One of the primary activities was the election of the IEC co-chairs. Trustee Jules and Trustee Nelson accepted their nominations and will remain as co-chairs. The committee also reviewed the budget, focusing on increasing support for reconciliation efforts, and received updates from the BCSTA Board of Directors. Furthermore, changes to the IEC Operational Guidelines and Bylaws were discussed, including adopting the terms "Indigenous" and "Rightsholders" in committee duties.

The committee discussed the Knowledge Keeper's role within the IEC, emphasizing the need for cultural preservation, gender representation, and succession planning. The current Knowledge Keeper will mentor future successors, and the BCSTA president will appoint Knowledge Keepers based on IEC recommendations. It was agreed that Knowledge Keepers should receive an honorarium, with financial implications for multiple transitions considered. Further discussions will refine the role and address transition challenges.

The meeting also featured three key presentations. Dr. Charles Ungerleider presented "Governing for Results," emphasizing integrating Indigenous issues into school district strategic plans. His focus on accountability, co-governance, and setting clear objectives provided a robust framework for enhancing Indigenous education initiatives.

Mr. Tim Davie, the Pacific Rim School District superintendent, shared the district's experience with co-governance. He highlighted the importance of building trust with Indigenous communities and implementing shared decision-making models. His presentation illustrated the tangible benefits of co-governance, including improved educational outcomes and stronger community ties.

Finally, Dr. Crystal Gail Fraser delivered a powerful presentation on Residential School Denialism. She emphasized the genocidal nature of residential schools and the importance of survivor stories in countering denialism. Her discussion on settler colonialism and the ongoing impact of these institutions resonated deeply with the committee, reinforcing the need for continued advocacy and education.

On August 26th, the IEC met via Zoom with FNEC and the Ministry of Education and Childcare (ECC) to discuss Bill 40's impact. Key topics included the decline in adult Dogwood completion rates among Indigenous learners, literacy and numeracy gaps, and high absenteeism for on-reserve students. The meeting emphasized the distinct rights of First Nations, Métis, and Inuit communities, the importance of local First Nations'

INDIGENOUS EDUCATION COMMITTEE

REPORT

sovereignty and involvement in educational decisions that impact First Nations students, and the need for ongoing workshops to support effective implementation across districts.

The IEC plans to meet via Zoom in September for continued discussions and updates. Additionally, they will hold an in-person meeting on October 25th at the Delta Suites Vancouver, just before the BCSTA Provincial Council.

b. LOWER MAINLAND LOCAL GOVERNMENT ASSOCIATION
2024 Resolutions Disposition, Pitt Meadows proposed tax changes on pages:
R46-Unfarmed Land Tax
R47-School Tax Exemption
R54-Minimum Income Requirements for Farm Classification

Committee discussion on the Pitt Meadows proposed tax change resolutions, how the farm-tax breakdown works, what qualifies on Agricultural Land Reserve (ALR) land as farm-use, and the idea of having separated ALR Zones to be able to have separate policies based on the needs of the individual zones.

The committee does not support the resolutions as they are currently written and put forward a motion based on the following reasons:

- Unfarmed Land Tax and the removal of the School Tax Exemption would force property owners to farm all their ALR land. In the Alberni Valley this would require forested land to be logged to create arable land, having negative environmental and public impacts.

- Increase to the Minimum Income Requirements for Farm Classification on properties between two and ten acres would have a significant negative impact in a sector where the farming income is already at a narrow margin and fewer people are farming each year.
- Tax increases/changes aimed at Lower Mainland ALR property speculation issues should not negatively affect the rest of the producers on ALR lands in BC. Blanket restrictions and taxes on farmland will not encourage people to farm, it will make economically viable farming even harder to attain.

P. Radcliffe joined the meeting at 9:45 am.

MOVED: L. Aylard

SECONDED: F. Boyko

THAT the Agricultural Development Committee recommend that the ACRD Board of Directors not support the resolutions, R46-Unfarmed Land Tax, R47-School Tax Exemption, and R54-Minimum Income Requirements for Farm Classification, proposed by Pitt Meadows, at the 2024 Union of BC Municipalities Convention.

6. REPORTS

a. Alberni-Clayoquot Regional District – A. Needham

- Greenhouse Grower Course – Amy met with North Island College (NIC) to discuss a fall grant application and course intake. NIC is responsible for developing the curriculum and confirming the teacher. Amy will be assisting with making the connections for where the program could be held. Also discussing options with NIC for evening/weekend course offerings open to the public, and an Indigenous-focused course.
- The Request for Proposal for the Food Security Emergency Planning Project was awarded to Upland Agricultural Consulting. They have extensive background in agricultural and livestock emergency planning and have both an agricultural emergency expert on their team, as well as accessing local knowledge through Anna Lewis. The ACRD is planning to meet with them to launch the project soon and will be in touch with committees and agricultural groups as the schedule unfolds to begin engagement. Amy is planning to engage in person with the agricultural committees if possible. This will not be tied to any committee meetings; Amy will reach out individually to set up engagement. Amy recognized

that summer is an especially busy time for producers and that engagement might be better scheduled for the Fall or later.

- Amy has applied for the additional 25% of the Agricultural Water Infrastructure funding through the Watershed Security Fund. Should be informed by September 2024 if the application was approved. If not, then the stacking grant money will come from the Local Government Climate Action Program funds, which are distributed to local governments to help fund climate mitigation and adaptation projects such as this one.
- The Request for Proposals for the Agricultural Water Infrastructure project is out and closes on July 5, 2024.
- There will be an opportunity for discussion on the zoning bylaw agricultural resolution from the last ADC meeting at the June 19 Electoral Area Directors meeting.
- There was a request from the ADC last meeting to contact the BC Centre for Agritech Innovation to ask if they could attend the Fall Fair. Amy met with them on May 31 and has a follow-up meeting booked on June 26 with their team plus the City of Port Alberni and North Island College to discuss options for engagement. If they end up being unavailable for the Fall Fair there may be the option to invite them as a delegation to a future ADC meeting to showcase their projects and initiatives.

Comment from the Chair – there is one farmer in the valley who is very interested in developing Agritech to support harvesting on small blueberry farms, current technology is only available for large scale farms. Please share the information on this as it comes up.

- Previous discussion with the ADC has identified a desire for at least one in-person meeting per year. Committee members selected to have an in-person meeting in November instead.

b. ACRD System Change Project – H. Shobe

- Last meeting was held on June 12. View the [Final Presentation here](#). Discussion focused on networks and the importance of being strategic when developing to reduce redundancy and competition for resources, supporting high-level tables where members have explicit permission to make decisions for those they represent which is important for policy making, and that networks have a very clear mandate and stick to it.
- There is a lot of excitement that the Ministry of Social Development and Poverty Reduction now has a mandate to support food security and will give the opportunity to engage more with producers and will potentially give producers more voice and avenues to get support for what they need.
- Support engagement with producers by having meetings on the farms as this is the best way to educate.
- Regarding Farmers' Institutes, aiming to develop leadership and organizational capacity from within the farming community is important

to support the organizations themselves instead of having others speak for them.

c. School District # 70 – H. Zanette

- Last Public SD70 Directors meeting before summer will be held June 25th at Wickaninnish School in Tofino
- Annual budget was passed at their last meeting.
- Staff Wellness Committee being set up, idea is to brand it and get staff engaged.
- New Board and Committee meeting schedule has been committed to for 2025
- Have adopted the Acceptable Use of Cell Phones, Smart Watches, and Electronic Device Use in Schools Policy, this is a Provincial requirement, the procedure will be posted on the SD70 website soon.
- Tree Protection Policy is being drafted.
- Kirsten Nesbitt is new Healthy Schools Manager.

Request from the Chairperson that we invite the SD70 Healthy Schools Manager to an ADC meeting. A. Needham is in contact with her through the Farm to School BC group and will invite her to an ADC meeting when she has settled into her new position.

d. Alberni Farmers' Institute – L. Aylard

- Participated in the Homestead Market held by Beaver Creek Community Club on June 15, was well attended and many tables from the Alberni Valley and surrounding areas.
- Represented the BC Cattlemen's Association at an event at Save-On-Foods supporting BC raised beef. Public engagement was great and had many interesting conversations regarding how and where to purchase meats directly from farmers.

e. Alberni District Fall Fair – A. Siddall

- Currently do not have a convener for Agriculture Education, so that job is falling on Ann's shoulders.
- Would be very interested to have the Agritech component at the Fall Fair, requested suggestions from the committee.

Committee suggestions of potential tables for the Agriculture Building:

- New Fiber Guild to participate in the Agriculture Building, could have the whole production from sheep to the multiple products that can come from fleece harvest.
- Wayne Smith, from Vancouver Island Grain and Milling, with his table-top combine display.
- Matilda Atleo's traditional foods display would also be an interesting add to the Ag Building.
- Nitanis Desjarlais also has an interesting Indigenous Food Gathering presentation/display.
- Farmers' Institute will discuss their involvement in the 2024 Fall Fair Agriculture Building at their next meeting.

f. Alberni Valley Food Security Society – A. Lewis

- Helped to get Haahuupayak School garden irrigation up and running.
- Helping Joanne get the Hupacasath garden set back up.

L. Aylard left the meeting at 10:46 am

- Summer student has been hired for 2024. Will be updating the [Community Food Offering Guide](#). They will be starting inventory of the meat from the meat cutter's course to be able to distribute to the SD70 Backpack program.
- Final Grow Local Workshop will be on July 7th, focused on winter gardens.
- [2024 Grower's Guide](#) is out, has been distributed, and is available digitally as well.
- Starting to think about Family Farm Day and if anyone in the committee has any ideas of new farms or urban sites that would be interested, please reach out to Anna directly. Potential to have one of the school gardens participate.

g. 4-H – P. Radcliffe

- Registration is now closed, kids are working hard on their projects now.
- Provided a petting farm last weekend for the Pediatric Stroke Association Fundraiser and Walk. Part of the 4-H program involves community service and giving back to the community.
- The Cloverbuds have gone out to the Cox Lake Blueberry Farm and learned from the beekeepers about the importance of pollination.

L. Aylard rejoined the meeting at 10:54 am

- 4-H Club will attend the Coombs Fair in August and the Fall Fair in September

h. Primary Agricultural Producers

- A. Needham for T. Shannon
 - Shannon Farm - the weather has cooperated this spring for a great silage harvest and grass growth for feed, much better than last year.
 - The Cabin - the Gather & Graze event is well underway with planning, Saturday, July 27 is sold out, and spots are filling up for Friday, July 26. [Menu and poster available here](#). Contact Tanya at thecabin@shannonfarms.ca for more information.
- L. Aylard – Stonehaven Farm
 - Grass and silage harvest has been very productive this year, not able to do hay yet, but a lot being able to be put away for winter feed.
 - Support for local beef and lamb has been very good, selling out very quickly, with little to no advertising.

i. Directors Update - F. Boyko

- Advised the committee that a Log Train Trail meeting is being held on Tuesday June 18th at McLeans Mill.
 - Committee discussed that many agricultural producers have property that is adjacent to the trail and utilize the trail to access their water sources and neighbouring properties. Would appreciate better access point signage as are starting to have people parking on private property, potentially blocking equipment from being accessed. Signage regarding respectful use of the trail would also be appreciated, starting to see more garbage. Important that agricultural producers, especially those located on the trail, are included in these decisions.

MOVED: A. Lewis
SECONDED: A. Siddall

THAT the verbal reports a-i be received.

CARRIED

7. LATE BUSINESS

- a. **Request from Pat Deakin to consider sending condolences to Bill Thomson on the recent death of his wife.**

MOVED: L. Aylard
SECONDED: A. Siddall

THAT the Agriculture Development Committee send their condolences, in the form of a gift and/or card, to Bill Thomson on the recent loss of his wife.

ACRD Solid Waste Management Plan PUBLIC ADVISORY COMMITTEE

Meeting #6 Summary

MEETING DETAILS

PRESENT:

John Jack (Chair), Tom Stere (Vice-Chair), Helen Zanette, Terry Deakin, William Severinson, John McNabb, Pam Craig, Paulo Eichelberger, Jodie Frank, Tamara Shulman.

KEY DISCUSSION POINTS

OPTIONS PRIORITY REVIEW

Building on the options review activity from the last PAC meeting, members reviewed the rankings they gave activities based committee prioritization, anticipated public interest, level of effort and diversion potential. The average results were shared with the group, showing which had ranked highest in each level of the waste reduction hierarchy showing what options ranked highest.

Some of the higher rating items included:

- education and behaviour change
- reuse, recycling and construction and demolition collection infrastructure – (especially for the West Coast),
- business and institutions - zero waste initiatives,
- hazardous material collection
- ongoing support and advocacy work related to Extended Producer Responsibility (EPR).

NEXT STEPS

This preliminary ranking of the options provides insight into the most impactful and highest priorities and will inform the work needed to develop proposed strategies and actions for the next phase of the SWMP's development process.

DIVING DEEPER ON OPTIONS

Waste reduction planner Tamara Shulman provided the next iteration of proposed strategies and actions for Committee review and discussion. Each strategy and action was described and rationale for why each is needed was outlined. Best practice visual examples were highlighted throughout.

Rationale for initiatives ranged across environmental, social and economic factors. Examples include the need to lower carbon footprint, reduce impact from landfilling, meet regulatory requirements, ensure equitable and accessible services and mitigate cost increases over time.

Feasibility considerations for each strategy will be mapped out as part of the next phase investigatory work to be completed over the summer. This includes considering current actions; regional best practices; engaging with collaborators and potential new partners; and resource requirements. Opportunities will then be further filtered based on guiding principles, goals and targets and that will be summarized for the fall phase 2 consultation.

Committee members visited Port Alberni-based sites including Recycle Matters, the Third Avenue Depot and the adjacent Maker Space and Reuse Centre – all are run by INEO Employment Services and seek to facilitate recycling and reuse while offering employment opportunities for people in the community.

INSPIRATION FROM LET'S TALK TRASH

Tai Ullman of Let's Talk Trash Consulting presented on Qathet's Resource Recovery Centre where an old incinerator and dump site is in the final stages of being converted into a one-stop shop drop off and education centre for the community. The regional district received a \$6 million federal grant to clean up the site and design a new facility that repurposed abandoned materials where viable (e.g., tires, metal pipe), accentuated the natural setting (riparian area and ponds) and has intake buildings aligned in the order of the pollution prevention hierarchy.

7. Reports

a. Community Arts Council

It was a very busy summer, with new hours and some old and some new events. Opening every day for longer hours this summer was certainly a challenge. We are now back to winter hours Tuesday to Saturday 10 am to 4pm.

Our staffing has changed. We now have one full time and one part time employee on the gallery floor. Angela Skaley our Arts Administrator will be doing more administrative work.

We have two new board members, Amy Mayo, who will be our treasurer, and Mike Hill who has retired here from Victoria where he was in charge of public art.

We have had cameras installed in the gallery and gift shop area and we are still wanting one more in the workshop space.

We are also in the middle of strategic planning.

We had some old events at new venues and new hours and we tried out some new events, with more to come.

1. Teas at the Mill – teas at the McLean Mill site were very successful, considering they were held on a new day, Sunday, new hours, 3 to 5 and a new venue, McLean Mill.

2. Summer camps ran well, thanks to two excellent summer students.

3. Tatiana Masa who is our events coordinator, volunteered her time at the toy run to do a community painting. Angela will finish it and we will auction it at the Mistletoe market.

4. Had the first Crafty Cruise – on September 20th from 6pm until 9pm on the Frances Barkley. This cruise included music and crafts and games plus drinks and pizza. We are going to have another one in 2025.

5. On October 26 and 27 we are having a Dark Arts Market during the Haunted Mill event with ADAPS at McLean Mill. It will operate on the 25th from 3-9pm and on the 26th from 12 to 5pm.

6. Current Exhibit – group exhibit from October 1 to November 2, 2024. Exhibit is titled Transitions, and artists are encouraged to submit works that reflect the theme of transitions, capturing changes both big and small, and personal or communal. All mediums welcome and up to two submissions per artist. Following this exhibit will be the annual Mistletoe Market.

b. School District

The next Public Board meeting is Tuesday Oct 22, 2024, at Ucluelet Elementary School.

1. BC School Trustee Association has developed an Election Advocacy package for all 60 Boards in the province. All Boards, including Pacific Rim, are writing to each candidate from their individual riding. The three priorities areas for BC Boards are:
 - Recruitment and Retention of Staff.
 - Capital and Deferred Maintenance Funding.
 - Inclusive Education and Student success.
2. The Board Approved the Audited Financial Statement on Sept 24, 2024, at the public meeting in Bamfield. The Board also submitted the 5 Year Minor Capitol Plan and the Enhancing Student Learning Report.
3. The district website now has the draft 'Tree Protection Policy' posted for public consultation.
4. The Board has sent an Advocacy letter to MP, Gord Johns requesting the federal government establish the National School Foods Program as promised.
5. Pacific Rim School District observed the National Day of Truth and Reconciliation on Sept 30. All District schools worked on many different programs throughout September to learn about Indian Residential School Survivors. All School flags flew at half-mast on Sept 30th.
6. Pacific Rim is hosting the 12 districts on Vancouver Island this Friday and Saturday Oct 4 & 5. The presentations will be from the Indian Residential School Survivors. The collection of student art work from students who attended the Alberni Indian Residential School will be on display. Survivors will be in attendance to speak about their experiences and answer questions.

All Candidates Meeting for Provincial Election

- Candidates from the three parties have been invited to participate.
- Two were unavailable for the date planned and we are considering rescheduling depending on candidate response and availability.
- Rules & Regulations have been established for the traditional debate format.
- We will not proceed if there is not enough MLA candidate participation to hold the event.

All Candidates for City of Port Alberni By-Election planning is underway for the election on December 14, 2024. Rules & Regulations have been established for the traditional debate format.

The Alberni Clayoquot Economic Resiliency Project funded by Island Coast Economic Trust

- Held a workshop on June 24th with stakeholders to review the focus groups and report to date
- Final report package is in progress and expected this week for initial review and feedback.

Visitor Centre

At the beginning of this year, 4VI was hired as an interim measure to fill the gap of having a full-time dedicated Visitor Centre Manager. Throughout this contract, we updated a few key materials here at the Visitor Centre:

- 2024 Port Alberni Training Manual
- Volunteer Ambassador Handbook
- Alberni Valley Business and Activity Database
- Distribution and Intake for Vacation Guides database and ordering
- Free Brochure Guides database
- Familiarization Tours Guide

With the new position of Visitor Services Coordinator established this September, we look forward to planning during these winter months to improve our services for the 2025.

General Updates

- We hired four students for the summer season under the Canada Summer Jobs program and they worked full-time throughout the summer.
- In the summer (July and August) we are open 7 days a week
- From September 1 onwards, we are open 5 days a week from 10am to 4pm.

Visitation Trends

June and July continued our trend of increased visitor traffic from last year. Following last month, most of our visitors were from other BC communities, and we have also seen an uptick in European visitors. We primarily saw same-day visitors, but we are steadily seeing an increase in 2-night stays as well. The most requested information was for surrounding maps/directions; however, we saw quite an increase in visitors coming in to shop in our gift shop, as well as requests for adventure and recreation.

August was our busiest month this season, with many more visitors spending a few days sightseeing in our community, before moving along to the West Coast. Going through September, we maintained steady numbers

throughout most of the month, with most of our visitors being from Europe. We have now started to notice a slight decline in visitors towards the end of the month, as the rain has started picking up again.

Giftshop:

We are slowly chipping away at our goal of re-vamping the Visitor Centre merchandise, and stickers, postcards, magnets and t-shirts have been our best-selling categories. We'd like to bring in new shelving and racking systems, to make our items easier for our visitors to navigate and find.

We are excited to continue finding more local vendors to partner with, and to display the best that Port Alberni has to offer. We welcome items from local businesses and creatives.

We have consignment options available too, please contact 250-724-6535 or office@albernichamber.ca to inquire.

McLean Mill National Historic Site Update, Oct 2, 2024

Prepared by Elliot Drew

The One Mile Production has been the focus for September and will continue to be so for October as well. This production is a huge boon for the Mill and the Community. An estimated 1.4 million dollars will be injected into our economy and building a presence with the film industry can only bring good things in promoting our Site and community. With the Site closed in preparation of shooting we have not stats to share this month. However, we are still honouring our commitments which means I have been extremely busy working logistics and making sure our other users are receiving everything we promised them.

The big news of the month was our part in hosting the Port Alberni Port Authority and their guests during the Ports conference on Sept 18th, 200 visitors gathered at the Mill to learn about our heritage, enjoy a traditionally prepared Salmon dinner and witness a truly moving cultural exhibition by the Tseshaht First Nation.

September 25th saw the Mill welcome back BC Forest Service to celebrate National Forest Week. Over 250 SD70 Grade 5 students endured heavy rain and filled the Mill Site to learn about this precious natural resource. It was amazing to see this event return in earnest after being downsized for the pandemic and despite the weather the kids seem to really enjoy being back at McLean Mill.

We hosted 2 weddings on the 7th and the 28th which went off perfectly and will host our final wedding of the season over this weekend. While we are still seeing inquires for 2025 rentals are slower this year as the affordability crunch has forced people to rethink where they are spending their pennies. We will be looking at this a lot in the coming months to strengthen our value proposition as we move forward with 2025 planning.

As always, we are proud of our role in sharing our site and our heritage with all our visitors.

October 2, 2024 Report to the Heritage Commission

Apologies but I have been tied up at work and haven't had time to prepare a thorough report. The Alberni Pacific Railway was able to continue to operate in September due to a high interest in both locals and visitors. In September, we were able to open the Waterfront run along harbour road, with financial help from a Private Donor and Island Corridor Foundation, as well as in-kind support from Warbrick Contracting and AV Little Digger & Hauler. We finished our season on September 29.

On September 19 we had our first train charter in 6 years for the Ports Canada Conference hosted by the Port Alberni Port Authority for a tour of the Waterfront. We also built a railroad display in the APR Railyard for the visitors.

Work is now complete cleaning out and repainting the Boxcar which had been burnt by vandals years back and graffitied. Unfortunately, just last weekend our Logging Crew Speeder was broken into and parts stolen from the interior.

We are in the planning stages of multiple off-season events which we hope to begin marketing very soon for both the APR and IHC

In September, Members took the Rayner & Bracht to Jamie Bracht's Celebration of Life

We are currently prepping to take part in the Haunted Mill Hosted by ADAPS on October 26th, as well as the CO-OP Community Day on October 4th.

The Truck Show was successful seeing over 1000 guests!

Unfortunately, we did not receive community gaming grant – so we are currently exploring other funding possibilities, especially for projects at the IHC

The IHC is currently open 9-11am Monday-Friday and 9-12noon on Saturdays, as well as tours by appointment – We are seeing shoulder season visitors show up to visit the centre and check out the trucks and displays.

Port Alberni Maritime Heritage Society
October 2, 2024 Report to the Heritage Commission

Fall Season Open Hours
Our summer season has now ended as our summer staff have either returned to school or have gone on to other commitments. The Gallery and the Lighthouse are now open from 11:00 am to 2:00 pm Tuesday through Thursday and from 9:30 am to 1:30 pm Friday and Saturday, at least until the Saturday before Thanksgiving. Tours may be arranged with our Facility Coordinator, Dale Gross, by contacting him at the below-noted contact information.

Children's Programming
Our Facility Coordinator will be working with the Alberni Valley Museum's Education Curator to develop children's maritime programs which can be given to school groups during the Fall, Winter and Spring months.

Lighthouse Upgrade
The society raised a total of \$44,600 for our Lighthouse Upgrade project. Our iconic Lighthouse now looks beautiful with new white metal siding and red trim, the fallen-down gutter has been re-installed, the broken sign has been fixed and our HVAC, which ceased operating on July 1, provides cooling and heat. Come have a look! We have approximately \$6,000 of unspent funding which we will use to paint the upper portion of the Lighthouse. This, however, will not happen until the Spring of 2025 when painting contractors will be willing to take on an exterior painting contract.

September Tour
On Tuesday September 17th our Facility Coordinator gave a tour of the Gallery & the Lighthouse to a group from Vancouver which came specifically to visit our two little pocket museums. They departed with a tremendous amount of knowledge and thoroughly enjoyed their visit.

Visitors During September
Our visitor count during the past month, consistent with prior years, was very low. During the 1st half of September, 31 people signed our guest book¹. Possibly, more came through the door, but I could not find the statistics. From September 17th to the 30th, 70 toured the Ken Hutcheson Gallery while 58 visited the Lighthouse.

Renewal of Temporary Use Permit | 3665, 3675, 3689 4th Avenue

Council authorized the Director of Corporate Services to sign a three-year extension of the Temporary Use Permit to permit up to 30 temporary shelter units located at 3665, 3675 and 3689 4th Avenue.

Council further authorized the Mayor and Director of Corporate Services to sign a three-year lease agreement with the Port Alberni Friendship Centre to accommodate the temporary shelter.

Liquor and Cannabis Regulation Branch Applications

Council opted out of providing comment on the following applications:

- Alberni Brewing Company [4630 Adelaide Street] Outdoor Patio
- Capital Theatre [4904 Argyle Street] Change to hours of Liquor Service

When a local government opts out of providing comment, the LCRB undertakes public consultation and review on behalf of the local government.

Bus Benches

Council inquired regarding recent removal of bus benches in the community. The CAO noted that the contract with the current provider has been terminated and thus removal of some benches has occurred. The City is in the process of developing City-wide park, memorial and pedestrian bench standards in conjunction with a placement strategy.

Union of BC Municipalities Convention

Council directed that staff prepare letters of thanks and request follow-up meetings and action items as applicable in response to the 36 Minister and Ministry staff meetings held at the UBCM Convention, September 16 – 20 in Vancouver, BC.

■ QUESTION PERIOD

N. Anderson

Inquired regarding the senior's advocacy resolution endorsed at UBCM, By-election candidate process, fee for Alberni Brewing Company lease agreement, and process for local government land acknowledgements.

Advocacy highlights

- Catalyst Paper Port Alberni meeting and tour: 26 September 2024, 1-3pm
 - Thank you to Catalyst attendees: Keith Ellwood, General Manager; Wayne Dube, Utility Manager; Aiden Martin, Utilities Superintendent; Michel Farell, Energy Manager; Ashley Popovich, Environment Manager
 - Thank you to AQC attendees: Mike Sparrow, ACRD; Nick Davey², ENV; Todd Patola², City of Port Alberni; Keith Wyton, AAQS; Bernie Wyton, AAQS; Pam Craig, School District 70; Arne Elias, AAQS; Judy Carlson, AAQS; Ken McBride, AQC
 - Key takeaways:
 - Smoke from the hog fuel boiler stack is often not noticeable, even though this boiler runs nearly 24-7-365 (generally <3 restarts/yr)
 - Emission reduction includes electrostatic precipitator technology
 - Processed logs, mostly hemlock, are used primarily (~95%) for chips (fibre), with the rest used for hog fuel
 - Chloride salts in ocean-transported logs are one source of the chlorine involved in production of furans in the hog fuel boiler
 - Tire-derived fuel (TDF) is used October through March to maintain combustion temperatures in the hog fuel boiler
 - Total boiler fuel is 12% fossil fuel, most of which is fossil gas in the gas boiler and TDF in the hog fuel boiler
 - See Attachment 1 (presentation slide deck) and Attachments 2 and 3 (tour group photos)
 - Initial reaction to the event has been positive, with the meeting, the presentation, and the tour broadly viewed as informative and helpful in facilitating dialog
- ENV confirmed that AQC will be involved in the technical review phase of Catalyst's permit application (which may begin this winter) and we are preparing to participate

² Virtual attendance via Microsoft Teams

- Communications regarding slash-pile burning (SPB)
 - Communications with the Managed Forest Council have been initiated

Other highlights

- In September 2024, the Province released its State of BC's Air Quality Report for 2019-21³
 - The PM_{2.5} fine particulate values for Port Alberni during that time period were:
 - Annual (Canadian standard = 8.8 µg/m³ or lower⁴):
 - Observed = 8.2 µg/m³
 - Adjusted (excluding Canada-US regional wildfire smoke) = 7.7 µg/m³
 - 24-hour (Canadian standard = 27 µg/m³ or lower³)
 - Observed = 23 µg/m³
 - Adjusted (excluding Canada-US regional wildfire smoke) = 20 µg/m³
 - This placed Port Alberni at the Orange Management Level (OML) – “Prevent CAAQS Exceedance” – for that time period; 9 other BC communities were at OML
 - Port Alberni has been at OML since 2012, except when it was at the Red Management Level – “Achieve CAAQS” – from 2013 to 2016⁵
- The Airshed Management Plan draft is being revised and updated based in part on discussion with Nick Davey last June
- In recent months, our PurpleAir network of air quality monitors has suffered setbacks
 - The monitor on 14th Avenue failed and is irreparable
 - The Cherry Creek monitor has been offline for 2 months and is being investigated
 - Bush Road: Channel A failed on July 28th; Channel B seems functional
 - Cyril Place seems similar to Bush Road
 - The Bush Road and Cyril Place monitors are to be investigated
 - Inspection and remedial actions taken on TMS Hector monitor; still not functioning
 - A new monitor (non-AQC) has appeared on the PurpleAir map on Elstow Road
 - Since spring, the Port Alberni PurpleAir map has gone from 10 working monitors (20 channels) to the current set of 6 monitors (~10 channels)
 - Work will continue to plan next steps, including possible new monitor installations

In the pipeline

- Develop wildfire preparation and mitigation strategies, including emergency alerts
- Study public clean air refuge options, using input from Island Health's May 2024 letters
- Continued work to have a venting index produced specific to the Alberni Valley
- Request increased enforcement of burning bylaws outside the City of Port Alberni
- Explore additional public education through vehicles such as bill inserts
