March 14, 2025

Good afternoon,

It is with great pleasure that we announce the appointment of Jaslene Atwal to the position of Director of Human Resources/Labour Relations/Health & Safety, starting on April 7, 2025. Ms. Atwal brings with her a wealth of experience and is greatly looking forward to joining the community of Port Alberni with her family.

We would also like to extend the warmest welcome to Amanda Simister, who started her role as ICY Clinical Counsellor on March 3, 2025. Amanda brings with her local knowledge and networking, as well as skills in working with both students and families.

Success is driven by the passion and dedication of a strong team. In our educational community, every new member brings fresh ideas, passion, and a commitment to shaping the future. Together, we create an environment of learning, growth, and success, inspiring and empowering those we serve!

Sincerely,

Pam Craig, Board Chair  
Board of Education  
Pacific Rim School District
