

On December 15, 2022, our principal, Dani Stone, was gifted a traditional name from Maquinna of Ahousaht in the spirit of Truth and Reconciliation. Grace George spoke on behalf of Maquinna and acknowledged the way Dani dances with the children, sings with them, and is working to learn the Nuuchahnulth language. Dani was gifted the name ʔaaphiiʔaqsup which means, "Always friendly, respectful, and kind." These qualities embody how she treats others every day. Dani's naming was witnessed by Tla-o-qui-aht chief, Simon Tom and Darlene Frank, Nuuchahnulth Education Worker for Wickaninnish Community School. She is so deserving of this honour and we are proud of her. Congratulations, Dani!
