POLICY

The Board of Education of School District 70 Pacific Rim (the Board) recognizes that the diversity of our School District and of our classrooms strengthens learning opportunities and fosters learning environments that value the contributions of all members of our school communities.

The Board of Education further identifies inclusion as a core value and supports the principle of inclusion in all aspects of the district's educational programs, classrooms, schools, and community interactions.

The values evident in the principle of inclusion honour diversity, equity, safety, and a student's right to feel welcomed in every school environment.

This policy captures protected grounds covered by the Human Rights Code of BC and is intended to ensure that all employees, regardless of their personal beliefs, reflect on how their actions and interactions create a respectful, accepting, safe and supportive environment for all members of our school communities. Therefore, the Board expects that the principles of equity, diversity and inclusion are reflected in:

- Extra-curricular activities such as clubs and sports
- Policies and Administrative Procedures of the Board of Education
- School Codes of Conduct
- School and workplace cultures
- Instructional programs and practices
- School learning resources
- Professional Development and Professional Learning opportunities
