DEADLINE – February 16th, 2023

**BE SURE TO INCLUDE YOUR
FIRST AND LAST NAME IN THE EMAIL**

As you walk across the stage at your graduation ceremony in June 2023, your name will be called, and a short statement will be read out. This is a very important day for you and your family. So, you get to write the statement. We will edit the statement, as needed, for brevity, clarity, and content - but you get to create the message. This is something that you only get to do once in your life, so it's certainly a good idea to put some extra thought, care and attention into it. Inappropriate content will result in your submission

being discarded. This, or failure to submit the form in a timely manner, will mean that admin staff will create a generic (therefore boring!) statement about you.

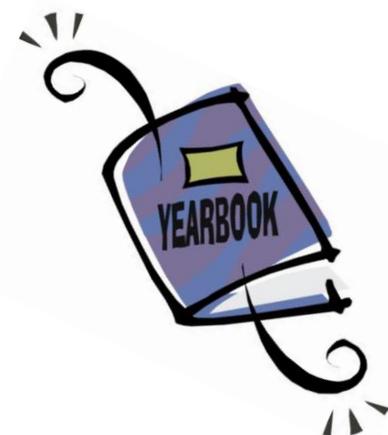

Examples:

- 1. Jay has enjoyed their time at ADSS and would like to thank their friends and family for their support throughout the years. They are currently attending their first year at North Island College in the Electrical Foundation program and would like to pursue a career as a Powerline Technician.**
 - 2. Sarah enjoyed her five years at ADSS, her fondest memories included being in several high school sports, her experiences in French immersion and making the Yearbook in her senior years. Sarah would like to thank her family and friends that helped her from day one to get where she is today.**
 - 3. During her time at ADSS, Catherine really enjoyed participating in sports such as basketball and track & field. She would like to thank her parents for their endless support, and for being her #1 fans. Finally, she would like to thank her coaches, Ryan B, Mr. Bill, and Mrs. Jack for their mentorship.**
-

****please keep your Grad Script to between 30 – 50 words in length – thanks!**

YEARBOOK WRITE-UP

This is what will be added beside your Grad photo in the 2023 Yearbook.

How will you remember your time at ADSS? What's your Grade 12 message?

Anyone to thank? Some ideas to consider are:

- Nickname
- Pet peeve
- Fondest memory
- Future ambition
- Most likely to be remembered for
- Shout outs and /or thank you

Examples:

1. Difficult roads often lead to beautiful destinations.
2. My fondest memories include being part of the Rugby team & all the trips we took; the greatest being our trip to Ireland! Shout out to my girl Jas for always being there for me! Thanks to Pohar and Roberts for always being there to mentor me!
3. My fondest high school memory is the Kamloops trip with Alberni Wrestling. I will always remember my coaches and teammates. I would like to thank everyone for this experience, and good luck class of 2023, in the future.
4. Money can't buy happiness, but it can buy truck parts. Which is basically the same thing.

Deliver to Mrs. Brooks in the Career Centre or email your write up to:

adsscarrer@gmail.com

Use the subject line – “Yearbook – First Last Name”

BE SURE TO INCLUDE YOUR FIRST AND LAST NAME IN THE EMAIL

****please note, your write-up must be 240 characters (roughly 48 words)**

or less and will be proofread by Admin. If it is deemed inappropriate, it will be deleted, and you will NOT be contacted to submit another comment!
