### POLICY

The Board of Education recognizes its responsibility under the School Act to keep district schools in session for students and staff for all prescribed school days according to its annual school calendar.

The Board also understands that circumstances may arise whereby it may become inadvisable to have students and/or staff in school for reasons of adverse weather, ~~or~~ power outages, **or tsunami warning and whether it is safe for school busses to run.** The Board authorizes the Superintendent of Schools to decide whether schools should be in session or remain in session when extraordinary/emergent weather or power outages arise. Emergency disaster procedures are considered separately from adverse weather or power outages and are outlined in AP 7000. **Procedures for inclement weather/Tsunami warnings – change to regular instructional day are outlined in AP 3000.**
