

XXX: SCHOOL GROUNDS ENHANCEMENTS PROJECTS (P)

Approved: 16 10 11
Amended: 26 01 27

POLICY

The Board of Education is supportive of school-initiated projects intended to enhance school grounds and/or buildings aesthetics, accessibility, functionality, and environmental sustainability. School ground enhancement projects should provide increased educational opportunities related to the BC curriculum; encourage greater awareness and understanding of environmental issues; improve school comfort, safety and aesthetics; and contribute to students increased physical activity and general wellbeing.
