Ms. Girard's Message ...

The end of June is always a time filled with mixed emotions. Excitement as summer break approaches and warmer temperatures become the norm, but also sadness as the school year closes and connections with teachers and friends may be paused. The summer may bring big changes for some, as they head off to new communities or new schools. No matter what the feelings are, it's a great time to reflect on what we have accomplished this year. Looking back on the year, we feel proud of our school! The WOLFPACK has worked hard to achieve many milestones. We had many opportunities to share our learning outside our classrooms and explore our community. We became a strong WOLFPACK family and celebrated many successes together. We worked closely with our school PAC to provide exciting opportunities for our students, staff and families. We even secured our new playground!!! Overall, it was a wonderful year. As we transition into summer, on behalf of the entire Tsuma-as staff, we wish you a healthy, active, safe and fun summer break! We look forward to seeing you all in the Fall.

Thank You

A successful school year involves MANY people. We would like to take this time to thank our amazing staff who pour endless hours and energy into their important roles in our school. We appreciate your hard work and dedication! We also have many community groups and volunteers who help support our children and our school. We thank you from the bottom of our hearts. Enjoy your well-deserved summer break!

Last Day of School

The last day for students is Thursday June 26th (regular hours 8:35 – 2:19) Learning Updates will be handed out on the last day. Our school office will be open during the summer months but will have altered summer hours/days. If you need to reach the school over the summer, please try by phone (250-723-8151) or email Mrs. Brooks (cbrooks1@sd70.bc.ca).

Lost & Found Reminder

Our Lost & Found is EXPLODING with clothing and accessories. Please make sure you stop by the Lost & Found (just outside our office doors) to check for your child's belongings. At the end of this week, we will be donating all remaining clothing/items to goodwill.

Library Books

Please look under beds, in cupboards and in school bags for any library books. Students who have lost library books will be asked to cover the costs to replace them.

School Supplies Lists

School supply lists will be updated for next year and posted digitally on our school website and our PAC Facebook page. They will also be sent to Walmart & Staples. If you have any questions or concerns, please contact Mrs. Brooks in the office.

Personal Care Kits

The personal care kits (ziplock bags) that each family prepared for their child in the beginning of the year will be returned to students. Please remember to watch for these. It's a great idea to stash it away for the summer. This way, when September returns, it is easy to simply pull back out, update or add to and return to school.

September School Start Up Information

Parents/guardians, please watch your email late August. We will be sending out important school start up and class placement information.
