

XXX: HEALTH AND SAFETY (P)

Approved: 89 10 17

Amended: 02 12 10

Draft: 26 06 02

POLICY

The Board is committed to providing safe, healthy, and supportive learning environments. Instructional spaces will be clean and well maintained, with appropriate temperature, ventilation, lighting, acoustics, and other physical conditions that support student and staff well-being and effective teaching and learning.
